We will hydroseed the whole bank. They've got us on the list as one of the first in the Spring. We did not get a cost yet. They haven't looked at it yet.

Lead beautification and others are fighting for what do put on top of our block caps.

Website - Add to agenda - Lets make sure to add cost vs cost and services. We will decide next meeting.

Prospect park connector - Miners to Durango to railroad to the end.

Motion to fund the mile up marketing package - Jeff motioned, Cary Second - Motion Carried

5. Community Updates

Art Grant - Fire department is going to host at parking lot. Trail event following show. Artists will be offering an art connection class. Info on stars and plants during the hike. 6 pm until 8 pm on the 24th of March.

Skateboard connection - Early summer (June?) free clinic to cover skills and safety. Jeff is heading that up. Possibility for panels for art.
